Put this catalog to your chest;
the necklace fits to your neckline.
These images of necklaces
are almost actual size.

This collection is based on the idea of simple and special items. Two different types of fine silver chain and some square or round silver rods create a beautiful asymmetrical Line on your neck. The Natural Silver Line brings out the fine and elegant femininity in you. The Oxidized Black Line adds sharp chic to your femininity.

Material: sterling silver chain, sterling silver
Color: Oxidized Black or Natural Silver (Each design has the two different types of color)
Adjustment for length: Every necklace has a 4cm extension
